

What is Neighborhood Watch?

Neighborhood Watch is a crime prevention program that enlists the active participation of residents in cooperation with local Police to prevent and reduce crime in Sterling Heights' neighborhoods.

How do I get started?

Contact the residents within your neighborhood and share your interest in developing a neighborhood watch. Gather a list of prospective volunteers.

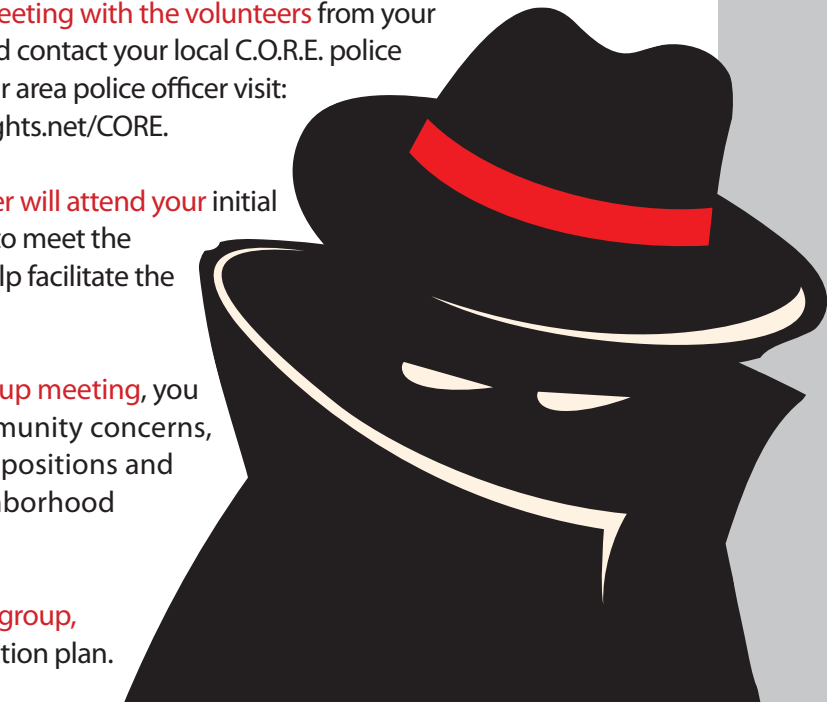

Set up an initial meeting with the volunteers from your neighborhood and contact your local C.O.R.E. police officer. To find your area police officer visit: www.sterling-heights.net/CORE.

Your C.O.R.E. officer will attend your initial start-up meeting to meet the volunteers and help facilitate the proceedings.

During your start up meeting, you may discuss community concerns, assign volunteer positions and coordinate neighborhood signage.

Develop an email group, phone tree and action plan.

Hold regular meetings going forward.
