Construction Update 7/28/2020

The west half of Saal Road is prepared and ready asphalt paving. The contractor will start paving the asphalt roadway over the next couple of days (weather permitting) and continuing to pour the concrete intersections, sidewalk ramps, and curbing.

Construction Update 7/6/2020

Starting Tuesday, July 7, 2020 (weather permitting), the contractor will set up **One-way, northbound only traffic on Saal Road between Clinton River Road and 19 Mile Road**. Detours will be posted for all southbound Saal Road traffic.

Pavement sawcutting and pulverization operations are also scheduled to begin this week.

Construction Update 6/25/2020

Starting the week of June 29 (weather permitting), the contractor will begin mobilizing equipment for construction of the west half of Saal Road between Clinton River Road and 19 Mile Road. Work is expected to be completed by late August. To enable construction, **only one-way, northbound Saal Road traffic will be maintained between Clinton River Road and 19 Mile Road.** One-way traffic will be set up once construction is started. Detours will be posted for all southbound Saal Road traffic.
